Mr. Walter D. Forbes,
THE GRAND IMPERIAL HOTEL
Silverton, Colorado.

Dear Mr. Forbes:-

Please pardon my delay
in acknowledging your letter and the
check. I have been ill and laid up ever
since it came and am only just getting
back on my feet.

Thank you for sending this part of the
account. It has been necessary for me
to borrow from the bank for the amount
due me, so that I hope the balance will
be forth coming at an early date.

I am anxious to know if the two copies of
my book RIO GRANDE have been sold. They
were sent up on consignment last fall.
Will you be kind enough to check on this
matter? They were to be on sale in the
Museum.

Hoping that all is going well with your
summer season, I am

Very truly yours,

LAURA GILPIN
