Dear Sirs:

Enclosed please find a sample envelope. Can you supply me with 500 or 1000 of these (or very similar) at once? A special order through our local store has failed to materialize and I need these immediately. Will you please telegraph me collect if you can fill this order.

Do you have acetate loose leaf (3hole) sheet protectors in size 11x14? Will you let me know the price.

Very truly yours,
