U.S. CAMERA,
420 Lexington Ave.,
New York 17, N.Y.

Dear Mr. Maloney:-

Just a line to tell you that a group of prints from my forthcoming book THE NAVAHO, DENIZENS OF THE DESERT (D.S. & P) will be in the mail to you to-morrow. This is very last minute sending, but other work has delayed my getting these ready. I am sending them air mail special delivery so they should reach you Monday morning. The book is due to be out in the fall of 1954.

As you were good enough to give me such a nice spread on my RIO GRANDE, I hope you will like this book. It will certainly be different. The RIO was primarily the river and the land, this will be primarily the people.

I shall be coming east about this early next year and hope I will have better luck in seeing you than the last time I was in New York.

Sincerely yours,
