Mr. Alfred R. Orsini
The Dexter Press,
West Nyack
New York.

Dear Mr. Orsini:-

The Museum of Navajo Ceremonial Art is very much concerned over the long delay with their postcards. When the third one is ready will you please ship 1000 by parcel post and hold the remainder until the next two, which I sent in a few days ago, are ready. And again with these, a sufficient quantity to carry them for a while must come by faster transportation that the so called "fast freight".

I feel sure that the third card for this customer which was sent in with the others already delivered, should be about ready. I presume the delay is due to your move, but please expedite this and ship part on as quickly as possible.

Very truly yours,
