Dear Mr. Seipp:-

Your letter of the 16th enclosing Mrs. Titzell's check for \$3,500. came late yesterday. It was very hard indeed for me to turn to her for help, but the forced circumstances of an immediate move from my present habitation made it necessary. I had hoped to forstall this until I had finished the work I am now engaged in, but it seems that was not be.

Enclosed please find the signed promissory note, though I do not approve the "no interest" clause. I shall take this up with Mrs. Titzell at a later date. My plan is to put into my savings account a certain sum every month and when it reaches an adequate ammount, send you a check. I earnestly hope that I will be able to discharge this obligation within a two year period.

Thanking you for your very prompt response, I am

Very truly yours,
