Miss Laura Gilpin
Box 1173
Santa Fe, New Mexico

Dear Miss Gilpin:

We have received a request from the University Art Gallery at the University of Minnesota for prints of your photographs of petroglyphs that were used in connection with the Agnes Sims exhibition. We have the negatives of these photographs. May we have permission to make 8 X 10 prints from the negatives to send on to Minnesota? They are planning an exhibition of the carvings in October.

Sincerely yours,

Richard Grove
