

Rancho de Tara,
New Mexico
Dec. 14th 1953

Dear Miss Gilpin;

Pardon my delay in acknowledging
receipts of your post cards, please.

I am returning by this same mail the cards
that were not sold, & my cheques for those
that were sold.

There were 60 sets #8 Rancho Church at 17½ cents
40 sets #5 Tara Pueblo at 17½ cents

I sold a total of 32 sets = \$5.60

Thanks you for sending them, as people had
asked for them.

It was a hectic season altogether - Miss
Weniger fell & broke her hip on the day that
we opened the restaurant, May 1st.

About a week ago we sold the building on
the plaza - so I am desperately trying to settle
up my accounts which have been neglected over
these past months.

With best wishes for a happy Christmas,
I am, Sincerely,

Mariana Hayes.
