Miss Laura Gilpin
Box 1173
Santa Fe, N.M.

Dear Miss Gilpin:

Nine of your prints have been turned over to us by the Annual Department. I understand that they are from your book on the Navajo indians. Has this book come out yet and if not, when will it be published? We would like to work up a story based on the book and would appreciate your advising us as to whether we can hold your prints for magazine use.

Sincerely,

Ed Hannigan
Editor
