Dear Miss Gilpen:

The Cactus Camera Club of Albuquerque is sponsoring the photographic exhibit and competition at the New Mexico State Fair this year. We are writing to you at this time to invite you to be a member of the Board of Judges. As a professional photographer of the highest standing and with extensive experience in portraiture we feel that you would be an especially valuable member of the Board, and we sincerely hope that you will find it possible to participate in the judging.

The contest will be open to all photographers in the State and will include categories for black and white prints, color slides and color prints. Enclosed you will find a sample entry blank. The judging of the entries will take place on the morning of Saturday, September 26th - the exact time to be announced.

May we hope for your presence on the Board?

Very sincerely yours,

Robert S. Harper Jr.
