Miss Laura Gilpin
507 Camino del Monte Sol
Santa Fe, New Mexico.

Dear Miss Gilpin:

I am a student in Sul Ross College taking a course in history. Our assignment is to read a book and make a report on the book including a biographical sketch of the author. I have read your beautiful and pleasing book The Rio Grande - River of Destiny, but I am unable to find any material on your life.

Will you please send me a short biographical sketch?

Thank you so much.

Sincerely,
Hallie Harred
