Miss Laura Gilpin
Santa Fe, New Mexico

Dear Miss Gilpin:

Recently I learned from Mr. Richard F. Van Valkenburgh that during the past summer and fall you have supplied him with a number of very fine and useful photographs dealing with the old Navajo country.

Since Mr. Van Valkenburgh informs me that your services have been entirely voluntary, may I take this opportunity to express, on behalf of the Navajo people, our gratitude for your generous and kind cooperation with our efforts in the land case.

With best wishes, I am

Sincerely,

Sam Ahkeah.
