Dear Miss Gilpin:

We are happy to hear that you have a show for us at the Arts Club of Washington and the date is set for April 17th to May 6th. We are enthusiastic about the possibility of your coming east and hope you can be here at that time. We always have a tea on the opening day of an exhibit and it would be so nice to have it in your honor.

Now about the color slides, we think it would be fine to have them, too. Did you have a light box in mind? So far we have no light boxes but by that time we could make such arrangements as are necessary. How many slides had you expected to show?

Then, here is another thought. On Thursday nights we have a club dinner followed by a talk or program. If you are here would you give us a talk showing your color slides on Thursday April 21st? I think it would be wonderful to have you talk at the club while your pictures are on exhibition there. Would you charge for that? We don't have a projector either, but I am sure I can provide one somehow.

I enjoyed the clippings and wondered if you wanted them back or may I keep them until the show?

Sincerely yours,

Darline Bekkedal
