Dear Laura:

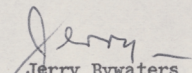

Thank you very much for making the special effort to get the photographs to us in time and in good condition. They are very handsome works and will add a great deal to our exhibition on the West. I enclose a check which I trust covers the cost of the photographs, according to our past arrangements.

Both John Gaw Meem and Reginald Fisher have been through in the last few days. We will have to get a book done on the Red River, I presume, in order to get you through this area.

Thank you again for sharing your good work with us.

Best regards.

Sincerely,

Jerry Bywaters
