Mr. Sam Akeah
Window Rock,
Arizona.

Dear Sam:- Something has arisen after all to prevent my coming over to Window Rock right now. From all I read in the papers, this may be just as well, for you are a very busy person right now.

I am delighted over the stand you have taken on the Gallup situation and hope that you have very real success. If there is anything I can do to help, in the way of pictures, I shall be glad to come over. Good pictures are a strong weapon, and could help a lot in Washington, I should think. Let me know if I can help.

I am anxious to have you go over my book for your suggestions. Will you let me know when you would have time to do this? With best wishes for your continued good work,
I am

Very sincerely yours,
