Mr. Raymond Carlson,
ARIZONA HIGHWAYS
Phoenix, Arizona.

Dear Mr. Carlson:-

On the 3rd of December, 1953, I sent you a package containing some fourteen transparencies for your consideration. Attached to the package was a letter regarding these transparencies and one idea in particular that I have for an article. Not having heard from you in all this time is now beginning to worry me a bit. Did you receive the package? I did not expect to hear from you before Christmas or even immediately after the new year, but enough time has now gone by to warrant my concern over the shipment.

I am sure that I insured the package but I hope that in a New Year's cleaning out I did not destroy the receipt.

If you have the transparencies and are not interested the Wupatki area group, may I have them back to reach me by March 5th? I am showing my Navaho slides in Colorado on the 10th, and if you are not using them I would like to include these, but if you are I can substitute something else.

Hoping that I may hear from you that you did safely receive the shipment and have been holding them for consideration, I am

Very sincerely yours,
