Colorado Springs, Colorado.

Dear Bill:-

Just a line to tell you that I am coming up to Colorado Springs on the 10th of March. Two showings of my Navaho color slides, one for the Broadmoor Garden Club, one for Fountain Valley. I just wanted to say that I am still an architectural photographer and hope that sometime I may do some work for you. Has the new building at the Zoo been adequately done? Also the Gym at F.V.S.? This is not a good time of year for exteriors, but interiors could be done.

Mrs. Penrose might give me the job on the Zoo. I wonder also if there are adequate color postcards of the Zoo. I have a firm in the east that does smaller quantities than most of the big pos card outfits. Three thousand instead of twelve to fifteen. This makes it possible for a greater variety of subjects. I shall see Mrs. Penrose when I come up anyway but I thought perhaps you might have something you want done, and also might suggest the above if you care to do so.

I hear fine things about your work and I am most anxious to see it. We will be staying with the C.B. Abbots 1915 El Parque and will be up intine for Pinafore at F.V.S on the 10th. Perhaps we will see you and Mary there.

With best wishes, I am
