Dear Mrs. Nichols:-

Please pardon my delay in answering your kind letter. The reason has been an endeavor to work out a schedule as several things have come up for next month that I must attend to.

I appreciate very much your invitation to show my Navaho slides to the Broadmoor Garden Club, and I shall be very happy to do so on March 12th if that date is satisfactory to you.

The customary fee for such a lecture and showing is usually about \$50.00, and if that will be agreeable to the Club, I shall be happy to make the talk and show the pictures. I still have quite a number of things to prepare for a showing, and shall need until the March date to be ready.

Thanking you very much for your inquiry and invitation, and I hope that this will work out to a satisfactory meeting.

Sincerely yours,
