Miss Patricia Paylore
Tucson, Arizona.

Dear Miss Paylore:-

Your letter was waiting for me on my return from a Navaho trip. I am very pleased that you want me to show the slides and I am particularly pleased that Dr. Powell will be talking. Can you let me know just how much time you wish me to take so that I can plan a special talk for you? I shall have to cut the slides down considerably if two of us are on the program, and I shall need to know the approximate time.

I shall be in Albuquerque I am sure well before Nov. 4th and will see Mrs. Thompson about the screen.

The title of my book will be THE ENDURING NAVAHO. That is unless the publisher makes a change which happened to me on the Rio Grande. My own choice of title on that was THE RIO GRANDE, RIVER OF THE ARID LAND. But I was told that that was too long. I still greatly prefer it.

I quite agree that I never think of Arkansas as Southwest, but it seems to be a vague area in which Indians still live!

I am looking forward to meeting you, and again my thanks to you and I hope you will like my offering.

Sincerely yours,
