NAVAHO

In preparation.

I shall adapt the number of slides to fill an hour's showing. It is very flexible. I am writing Mrs. Thompson regarding the

screen today, and will have all preparations ready.

If I have not given you sufficient information about myself let me know, or perhaps a short talk after we all reach Albuquerque will be sufficient.

Please excuse my delay in answering your kind letter, but mail always piles up when I am away.

I am looking forward to meeting you and the members of your association, and I hope that I will be able to give you a worth while evening.

Very sincerely
