

Dec. 10
1954.

Dear Miss Wheelwright,

Here are the proofs and I am hoping that they will pass examination. Maria, the Howells and Beiber have seen them and all express approval though they differ on the choice for the museum.

The proofs are numbered for your convenience. Keep them long enough to be sure which wear the best and then return them to me, please. I was working so intently to get the expressions I wanted that I did not see a lock of hair that came loose. This can be easily corrected when I make the prints. And I hope you will like the little dog.

Prices are as follows:

The sitting and your choice of any	
four prints 8x10	\$50.
additional or duplicate prints	7.50 ea
dozen	85.
enlarged to 16 x20 as Maria	
suggest for the Museum	25.

A smaller size, 5x7, if you should wish any would be \$5. on duplicates.

The little dog. \$5. on any size you want.

I cant tell you how badly I feel about Lloyd and what this has done for you. I think you have been most generous and fine about it all. Do have a gay holliday.

With best wishes,
