Dear Laura:

At long last here is an official acknowledgment of your gift to the Museum. Enclosed is the gift acknowledgment listing the ten miniature Mexican figures which as you already know we are very pleased to have. As soon as Per Guldbeck gets caught up on his exhibit work he will take these into the laboratory and replace and restore the missing parts so that we will be able to exhibit them I hope before too long. In any event, thanks very much.

Cordially,
