Dear Miss Gilpin:

It was a pleasure to talk with you by long distance telephone, and to have your letter of February 10. I think we will make progress speedily after we have had a chance to see your dummy and consider the total production problem for the proposed book on the Navaho. I will not let it slide. As soon as the dummy comes in I'll get at it, probably at night, and after I've cleared out some of my commitments in the fore part of the week, I'll be in touch with you towards the end of the week and we can then make plans accordingly. Believe me, I am grateful for the opportunity you are giving us, and our thanks go out to Alice Marriott for having recommended our house to you. We will approach this entire project in a positive way, you may be sure.

Cordially yours

Savvie Lottinville
