Dear Miss Gilpin:

Thank you for your letter of recent date. The delay in answering your letter has been caused by the writer being home ill for approximately four weeks.

We received the order for the Museum of International Folk Art but as of date the transparencies have not arrived. We suggest that you check to determine whether the transparencies have been mailed.

We are enclosing herewith our current price list which will give you quotations on our various quantities.

I suggest that you submit a dummy of the special card folder you wish an estimate on and we will be very pleased to quote you a price.

Very truly yours
