Dear Laurer,

This is the official note of which I
 spoke. I need this information not only
 for myself but for other schools to which
 I shall write.

1. Title of lecture
2. Approx. length of lecture
3. What information should accompany
 your name?
4. Fee for lecture -

Special for me

1. Date?

2. This coming year is our Fiftieth Anniver-

sary. Throughout the year we are having special events and lectures to which parents and alumnae will be invited - These will first be announced in a little folder that will go out in Sept. Would you let me include you? If so, could you answer all of this as quickly as possible as I am facing one of those well-known printer's deadlines.

As always, we enjoyed every moment of seeing you both - pictures, pic, talk, fun and the roseate glimpse of "The Pink Garter." I wonder if we will turn up in Santa Fe for keeps some day? Each time it seems better.

I can't tell you how much we are looking forward to seeing you and we hope Betty in April. We have plenty of room and want you to make us headquarters and sleeping spot, and the longer you are with us the better. If steps are a bother for
