Miss Laura Gilpin,
Box 1173,
Santa Fe, N.M.

Dear Miss Gilpin:

I am happy to advise that I have located a pretty good copy of Gov. Gilpin's "The Central Gold Region"--in the original cloth binding; complete in all respects--and you may have this for \$8.50, postpaid. A small piece of the cloth binding has torn at the very top of the backstrip; but the cloth is there; we'll do a job of pasting it back; so that it will hardly be noticeable. On the whole, it is about a nice a copy in the original binding as I've ever run into. Let me hear from you at your convenience on this. I enjoyed your visit, and talking to you; and hope to visit you in Santa Fe sometime. Please keep me in mind as wanting to buy interesting libraries; and if anything sizeable along that line ever comes up, I'll be glad to come down and bid on it after a personal inspection.

With best regards, I am,

Sincerely yours,

Frederic A. Roserstock
