Dear Miss Gilpin:

I am appalled that this bill has run on. I am sending it to Davis Moore to be paid. If you have not received the \$15 by September 1, drop me a card instantly and I will pay it myself, also instantly. Its one of those damn bureaucratic delays, or a hassle between the Assn and the printer. In any case, I will pay, and would have long ago if I had known.

I am so glad we'll have the Navajo book to enjoy soon. My own book is sloshing along in the writing--a new account (I hope) of the Meeker massacre. It is supposed to be finished Jan. 1.

Yours--

Marshall Sprague
