O sweet Laura, Bless you
for the 6-day telegram
(you must have read the
same a little too early -
I'm really Nov 12 - that
the Smiths did) I wish I could
write a real letter, but
I have been in bed for nearly
a month with virus, &
can't sit up, yet, to type
type, & can't really see this

you were a darling to think
of me -

I hope you have met the
Scotts, for you & for them,
I am feeling sad, missing
Candy walks in the world -

Lots of love to you &
Betsey, & thank you,
Ann
