Santa Fe.

Dear miss Gilpin:

I was in Guadalajara

when your nice letter Christmas Card
came and I did not see it until
my arrival here a month ago. So please
excuse my long silence. Thank
you so much for your good wishes.

My trip was wonderful and

I enjoyed Xmas with my two sons

I am glad your book
is about finished I am sure it
will also be a success. My con-
gratulations to you. I do recall
our trip together to Cenabro. No

thing would please me more
than to go on another trip with
you any where.

Please give Miss Foster
my regards. I do think she is so

sweet. My best wishes for you

always

My daughter send you
best regards.

love

Victoria
