Miss Laura Gilpin
Box 1173
Santa Fe, New Mexico

Dear Miss Gilpin:

The Ektachrome transparency represented by the enclosed print was purchased from you and we do not have exposure data concerning it. Would you be good enough to jot down or estimate the f/ opening and timing used for the photograph. Would you also be good enough to tell us the locale.

Incidentally, we shall be very happy to see other examples of your good work at any time.

Cordially yours,

EASTMAN KODAK COMPANY

A. W. Williams
Manager
