Sept. 28

Dear Laura,

In your letter of July 15, you said the "last half of October or early November would be fine". I have made a tentative date of November 7<sup>th</sup> (Monday) for an afternoon showing of your slides at the Town County Club for an audience of 60 women. It is for my "Monday Reading Club" which never reads but has a varied program throughout

the year. I am enclosing a  
postal to make it easy for you  
and if you are not sure yet,  
do not feel pressed to answer  
at once —

It will be good to see you —  
Love to you and Betsey.

Affectionately  
Lama
