October 8th

Dear Laura,

Your postal came this morning — So glad November 7th is all right for you — It will be at this club for a Monday Reading Club I belong to — as I said — at two o'clock — I have looked at the room which we can have —

I hope you can arrive on the 5th at latest so we can have a nice week-end — the boys are dying to see you — and so am I —

Affectionately
Laura —
