My dear Miss Gilpin:

I would indeed appreciate your kindness in rushing to me via airmail special delivery two copies of the very fine photo of Vronsky & Babin recently received by our publisher, Mr. John F. Majeski. Unfortunately, the print was cracked in handling and I fear for perfect reproduction from its use. In order to obtain the very best results possible, I would most certainly appreciate your kindness in complying with the above request. May I also add that the pictures be mounted on mats or printed on heavy photographer's stock (double weight glossy) and well protected for shipping.

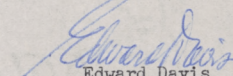

To be certain that we are in agreement as to the correct print: the one I refer to as you face the picture, shows the lady in full face, off shoulder gown, low V-cut with brocaded white flower specks on a black background, while the man is at the right (her left) in evening dress, the face in full profile.

If there is a charge for this, please forward bill to my personal attention and same will be remitted immediately.

As this picture will be used for an issue going to press within the next two weeks, I will be most grateful for your speedy cooperation.

With repeated thanks and assurances of our appreciation, I am

Cordially,

Edward Davis
