My Dear Miss Gilpin:

Pressure of work on our annual issue kept me from sending this note earlier. My sincerest thanks and appreciation for your wonderful co-operation in sending to me the two beautiful prints of Vronsky & Babin. I am certain the results we obtain from these prints will be exceptional.

Regarding your query about action shots at Aspen next summer, my one suggestion is that you submit any pictures at any time for consideration as you know it is quite impractical to evaluate any photos unseen. Hence, if convenient, let us look at them for sounder judgement.

Again with repeated thanks and gratefulness,
I am,

Edward Davis
