Miss Laura Kilpin

Box 1173

Santa Fe, New Mexico

Dear Miss Kilpin,

I should like to send a
print of one of your photographs
as a Christmas gift to my mother,
Mrs. Walter J. Killogg, Box 369,
Rocky Ford, Colorado. The picture,
which you hung at Palomas School
and a copy of which Miss Preston
has in her office, is, I think, a

view of Ship's Rock in the distance
with lots of space and sky and
with a little branch of evergreen
on the left side. The picture
was dated 1934 or 1936. If you can
identify the print and find that
you can do so conveniently, will
you please send it with the
enclosed card to Mrs. Kellogg in
Rocky Ford? Please tell me if my
money order is not enough to pay
for the print and postage.

My son, who is in the third
grade at Potomac, and I have
had the greatest pleasure in
recalling many times the beauty of

the slides which you showed
at the school. I would hardly
have believed that photographs
could so encompass the whole
atmosphere as well as epitomize
the physical beauty of that
high country. We both feel very
grateful to you and Miss Boston
for giving us such a treat.

Yours very truly,

(Mrs. D. P.) Jane K. Evans
