Dear Miss Gilpin:

Mrs. Davisson tells us that you have some splendid pictures of Navajo Indians that you show at schools. However, as I wrote to Mrs. Davisson, we are completely booked up and so cannot invite you to come here. If you are to be in Hartford or are to show your pictures in this vicinity, I should love a chance to see them myself; or perhaps you would like to stop and see the school if you are nearby. I assure you we should be delighted to meet you.

Sincerely yours,

Hollis S. French
