Dear Miss Bekkedal,

Here are the captions for the pictures. I hope they are adequate. Also a copy of the FOREWORD for my book which perhaps explains sufficiently what this is all about.

The map isnt quite ready and I snall get it in the mail to-morrow. It will be on an 11x14 mount so you can plan for that in the hanging of the prints.

Hoping that all goes well and that the tatee portfolios arrived this morning at the club,

Very sincerely yours

DARLINE BEKKEDAL
