

June 4, 55

Dear Miss Bekkedal:-

Thank you very much for your letter. I think that Thursday October 6th would be fine. I am to show the slides to the Potomac School on the 5th. And though I expect to be around Washington for I hope a week or more, perhaps it would be best to have these dates close together. However, if you find that the 13th would be better for you, I can make either date.

I am showing the slides again at Los Alamos on June 22nd. A lot of new ones and changes since the last time, and this I expect will be the case as long as I am able to work. At least I will never get into a stereotyped rut. I have enough material to change it every time I show, or at least enough changes to freshen it up for me.

I have had such a nice letter from Mr. Henbest, and I do most sincerely hope that my Navahos were a success.

With best wishes, I am

Very sincerely

ne
