Miss Katherine Lee,
National Cathedral School
Washington, D.C.

Dear Miss Lee:-

Thank you very much for your letter of the 26th which came last Monday. I shall be gald to adjust my slides to fill a one hour time for 1 o'clock on October 10th. As I shall be in Washington, I shall probably see you before to see your auditorium and to talk to your projector operator. I believe I wrote you that I have my own projector, but not an adequate screen for any sized room. I shall be staying with Carol Preston at the Potomac School for several days and also with relatives in the Washington vicinity.

I hope your children will be really interested in what I have to show, at least it will be different!

Hoping you had a nice summer, I am

Sincerely yours,
