Dear Miss Gilpin:

You may remember several years ago that I met you in San Antonio with Pinkie and that you came out to Conny Terrill's with your lovely pictures of the Rio Grande. I so enjoyed meeting you then and delighted to know that you are coming to Washington the early part of October.

Would you have time to give our lower school girls a thirty minute talk with your pictures about Navajo Life. Our usual honorium is \$50.00. Would you also have time for either lunch or dinner with me while you are in town?

Looking forward to the pleasure of seeing you again,

Cordially yours,

Katharine Lee
