Dear Miss Gilpin:

Thank you very much for your letter of July 9th, and we are glad to hear that you have good material on Navaho Indians.

The book we are planning will have mostly pictures in color and black-and-white, and should include the three tribes as mentioned in our previous letter. We would also be in a position to give you assignments on the Hopi, Zuni Indians if you would be kind enough to send us what material you have on the Navaho Indians on approval.

We would like to see the type of material you are producing, and the pictures will be returned to you within three days after arrival.

Hoping to hear from you soon, we are

Sincerely,

THREE LIONS, INC.
