Dear Miss Gilpin -

I loved
your pictures & commentary.
It was a rare privilege to
be your "curtain-raiser."

Here is a copy of my talk,
& an earlier one I gave
on Fred Hodge's 89th

Do you sell such single

again with thanks, sincere
regards, & cordial good
wishes -

I'd like to buy a copy
for framing of one of the
pictures you showed -
the one looking down on
Shiprock, through the
pines.
