

THE BALDWIN SCHOOL
BRYN MAWR, PENNSYLVANIA

September 28, 1955

Dear Miss Gilpin:

Through Mrs. Charles H. Dietrich of Santa Fe, whose niece, Miss Ethel Barr, teaches sixth grade here, we have learned that you are to be in the east this fall. We wonder if it would be at all possible for you to include in your trip a visit to The Baldwin School to show us your pictures of the Navajos and tell us something about them.

Our assemblies are held on Wednesdays at 2:10 p.m. for the Upper School and at 11:00 a.m. for the Lower School. If you could possibly manage two programs, we would be delighted. As perhaps you know, our girls have for years maintained contact with a Navajo School.

We hope very much that it will be possible for you to come on either November 2nd or November 9th. These are the only dates open this fall for the Upper School. The Lower School would, I am sure, be happy to have you even if these dates are not possible. They really prefer Friday for their assemblies, so if you cannot come to us on a Wednesday, perhaps you could manage a Friday for the younger girls.

Our budget for speakers is limited, but we would be glad to offer you \$50.00 plus your expenses from Washington if you are interested in coming. I shall look forward to hearing from you.

Very sincerely yours,

Mary A. Schaffner

Director of the Middle School
