Dear Miss Gilpin:

Mrs. Titzell has talked to me about your need to borrow \$3,500. to complete the required payment on your new home. As one who has known her so many years you may well assume that she is very anxious to help you.

I have, therefore, advised her that there is no reason why she cannot extend this courtesy to you and, accordingly, I am enclosing herewith her check to your order for \$3,500.

For purposes of record, I am also enclosing a promissory note which I should be glad to have you sign and return to me.

Faithfully yours,

HGS:M
