Dear Miss Gilpin:

It is difficult to tell you once again how much we enjoyed meeting you and having the opportunity to visit your studio. We both hope that you will be able to visit Urbana this winter.

On arriving here I found a letter from one of the foundations with which I have been working asking for a photograph to appear in one of its publications. I replied to the effect that I would send one in about three weeks. If the rush of affairs prevents you from processing the entire group of photographs by that time, I would greatly appreciate having one or two of the glossy prints of me sent to my father's address in the next two weeks or so. The more finished ones can be done at your convenience, as we said previously.

Please let us know if, after completing the work, you decide that you did not charge us enough. Sorry to send this letter to you through the Lucys. We stupidly forgot to write down your address.

My fathers address is

Mr. Frederick Seitz
1540 Carol Avenue
Burlingame, California

Sincere regards

Fred Seitz
