Dear Miss Gilpin:

After having seen the American rivers series in the June issue of CORONET, we wrote to CORONET Magazine to inquire about obtaining the photographs used in this series. They have referred us to you in regard to the Rio Grande River photograph.

We would like to use these photographs in our Danish Annual, DANSK NYTAAR. Would it be possible for us to obtain this photograph. If there is any charge, please let us know.

Yours sincerely,

Otto H. Stave
