Dear Laura:

The formal matters over - I loved your visit. And am very pleased that you were able to spend some time here. I trust that the trip home was a pleasure all the way.

I am looking forward to having your exhibit here and only wish that it might be sooner.

Sincerely yours,

Minor White
Assistant to the Curator

*Dr. Wightman brought in the book he
mentioned. It proves to be
"Sun in the Sky" Walter Collins O'Kane.
Know him? Book reads well.*
