Dear Laura.

As you probably
heard from Mr. Fols
I've decided to go ahead
on the photos of ten
Saul painting Chateaux.

I talked to Mr. French
Cady (yesterday) who is
interested in publishing
them in France &
suggested that the first

out whether they
can be published &
whether they couldn't
help & pay for them.
He said he would
let us know the cost
of March.

I enclose the name &
address of a very
nice person in charge
of the sale of colored
prints at the West
Museum who might
be helpful to you there.

I'll send you about the
cost of March I expect!

Yours

Henry C. W.

I will find the plates &
write!
