Dear Laura:

I am delighted to know that you are coming into this region. I have a letter from Miss Guest and one from Carol Preston. I am writing to ask if you will give your talk to our school on Wednesday, October the 12th at twelve-thirty. We always have something on Wednesday from twelve-thirty to one-thirty. It will be such a pleasure to have you and to see something of you while you are at Carol's.

I note that your charge is \$75.

With ever so many good wishes, I am

Affectionately yours, '
