Dear Miss Gilpin:

We haven't had any approach from Mitchell Wilder of Colonial Williamsburg in regard to your Navaho material. You wrote me about this on February 27th and I have another note from you this morning dated April 9th. Do you want to get in touch with Mr. Wilder again? Or do you want your material sent back to you via express collect?

Here's hoping that we can still interest Bryan Holme in your fine book when it is finished.

Sincerely yours,

Mary Abbot
