Dear Miss Gilpin:

The three cases of prints have arrived safely and on time. I have not had time to check them against your list but will shortly and if there is a discrepancy will let you know.

I believe that we have everything we need for the present.

I am sure that we can get the photographs to Rochester in time for their opening on January 18.

Thank you so much for your efforts, and I hope that they will be justified by the exhibition.

Sincerely yours,

Katharine Beneker
